# Assistant Coach – Women's Basketball

**Position Title:** **Assistant Coach – Women's Basketball**
**Contract Term:** **October 1 – March 31 (part time, temporary/seasonal)**
**Accountable To:** **Head Women's Coach**
**Salary:** **$6,500.00**

**Summary of Position:** The Assistant Coach is responsible for supporting the Head Coach by coaching student athletes, recruiting, monitoring student athlete academic progress, scheduling, managing travel and overseeing the discipline, conduct, and image of the student athlete as outlined in the TMC Athletic Handbook.

## JOB CHARACTERISTICS:

**Personal Contacts:** Regular contact with student athletes, head coach and athletic director.

**Supervision Received:** Supervised by the Head Women's Coach.

## RESPONSIBILITIES:

- Working knowledge of sport rules and the ability to teach critical skills, regulations and competitive strategies and training techniques.
- Ability to objectively evaluate physical skills in the areas of physical potential and mental capability for intercollegiate athletics.
- Plan coaching and practice sessions in accordance with regulations.
- Coach team members individually and in groups. May manage a designated skill development area or group of positions.
- Demonstrate game techniques.
- In the absence of the head coach, will assume all head coach's responsibilities.
- Assist the Head Coach with recruitment of players. The Assistant coach's compensation is directly tied to their ability to recruit a minimum of eight players for the basketball team at TMC. If recruitment is not sufficient, the assistant coach will not be compensated.
- Performs other duties as required.

## EDUCATION AND EXPERIENCE:

### Minimum Qualifications:

- High school diploma or GED.
- Coaching experience at the high school or junior college level.

### Preferred Qualifications:

- College level or above playing experience.
- Previous basketball player for Turtle Mountain College.
- Have or able to maintain a valid ND driver's license.
- Good oral and written communication skills.
- Proper training techniques in the treatment and prevention of injuries.
- Proven positive attitude towards work and people.
