TRIBAL TRANSIT PROGRAM & SERVICES

The Turtle Mountain Tribal Transit Program (TTP) is federally funded through the Department of Transportation-Federal Transit Administration (FTA). The program is designed to provide safe, reliable, cost-effective, public transit services to the local community.

The Tribal Transit Program offers two types of transit services. A **Fixed Route Transit Service** and a **Deviated "Scheduled" Transit Service**.

The Fixed Route Transit Service operates, along a Fixed Route and keeps a timetable; however, the transit can **DEVIATE (up to 1 mile)** from the fixed route to go to a specific location when a passenger schedules an appointment **24 hours in advance**, with the operator.

Once the scheduled pick-up and drop-off is made, the bus goes back to place along the fixed route that it deviated from.

CLOSURE OR DELAYS

- ◆ In case of severe weather conditions every effort will be made to get all passengers returned to their homes as quickly as possible.
- ◆ Transit service delays or cancellations are announced on KEYA 88.5 FM radio station.
- ◆ The Tribal Transit program assumes no responsibility for claims resulting from delays, failure to make connections, schedule changes, acts of nature, etc.

REFUSAL OF SERVICE

The Turtle Mountain Tribal Transit Program reserves the right to refuse transportation to any person who is not willing to abide by the passenger rules.

DISCRIMINATION STATEMENT

No one shall be denied a ride based on race, color, national origin, religion, sex, physical or mental disability, martial status, political affiliation, public assistance status, sexual orientation, military status or status as a U. S. veteran. If you believe you have been discriminated against, please submit a written complaint to the Tribal Transportation Director or call 701.477.0407.
