VI. NEW BUSINESS

A. Review Board of Trustees By-Laws with Thomas Disselhorst:

Chairman Lindgren turned the meeting over to Dr. Jim Davis to introduce Mr.
Disselhorst to the board. Dr. Davis introduced Mr. Disselhorst and the Board of Trustees
members introduced themselves. Theresa Davis introduced herself and stated that she
has been on the board for 31 years. Jim Lindgren has been on the board for 21 years,
Dwight Trottier has been on the board for 22 years, John Frederick has been on the board
for 38 years, Yvonne has been on the board for 17 years and Coreena Patnaude serves as
a student representative.

Barbara Poitra entered the meeting at 10:18 a.m. She stated that she was there
representing Ronald Peltier, Board of Directors Chairman. Mr. Disselhorst asked if all
Board of Directors were invited and Dr. Davis responded “yes”. Dr. Davis asked Barbara
Poitra to introduce herself. Mr. Disselhorst began the overview of the session.
Discussion was held on accreditation and its criteria. Discussion was held on how it should relate to the mission of the college. 2013 Accreditation visit was discussed.

The next item of discussion was on the Board of Trustees by-laws. Do there need to be changes made? Should the mission of TMCC be put into the by-laws?

Discussion was held regarding the Board of Directors roles. They are appointed by the Board of Trustees. Is the Board of Trustees allowed to remove a Board of Directors member when they are not fulfilling their duties or for cause?

TMCC needs to follow the laws set forth by the Higher Learning commission. They also need to follow state laws and federal laws.

The seven teachings need to be recognized, not necessarily in the by-laws, but out in the public where people are made aware that they are a part of TMCC.

Discussion was held with each board member and what they thought about the discussion today. The college needs to remain stable. Should there be discussion with the Tribal Council about this meeting? The Board of Trustees members feel that they should present information to the Tribal Council about today’s meeting. Barbara Poitra felt that the two Board of Trustees members that are liaisons should present the information to the Tribal Council.

The board discussed the Directors and Officers liabilities. The board is covered as long as they act in good faith.

Coreena Patnaude stated that the students were concerned about obtaining their degrees in regards to the accreditation. Are all courses transferrable should a student want to transfer for a four year degree. A suggestion was made that maybe students need to have a complaint policy. Mr. Disselshort gave some examples as to a possible panel such as two Board of Trustees members and two Board of Directors members. There would need to be criteria set up.

A suggestion was made that the Board of Trustees should also review and approve the Board of Director’s policies.
