Culture Camp

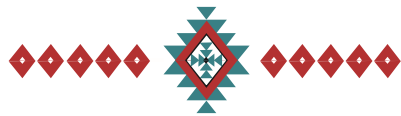

Individual Portfolios

Research Project(s)

Leadership Skills

Community Service

Dual Credit Courses

Project GOAL is a 4-year  
program that is designed to help  
25 high school students  
successfully graduate high school  
and transition into college.

Students will academically  
prepare for their future career  
and develop leadership skills  
making them our future  
stewards of the Turtle  
Mountains.

The key purpose of Project GOAL is to provide assistance to high school students academically by developing leadership characteristics, setting goals, career explorations, and serve the community.

Project GOAL benefits students by encouraging students to develop the academic skills needed for high school in order to successfully transition into college by providing opportunities for enrichment through tutoring, weekend academies and summer programming.

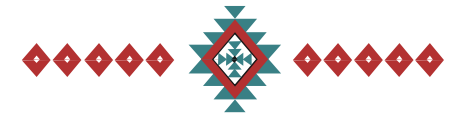

Project GOAL will assist students by developing individual learning plans that consist of career oriented choices that will provide students with individual portfolios to map out their goals in order to ensure their academic success.

Project GOAL offers close connections to schools in order to foster relationships in order to build rapport and consistency.
