The provisions of this catalog are not to be regarded as an irrevocable contract between the student and TMCC. Catalogs and bulletins of educational institutions are usually prepared by faculty committees and administrative officers for the purpose of furnishing students with the appropriate information. The catalog has attempted to present information regarding admission requirements, ground rules, and regulations of the college for the 2021-22 academic year in as accurate and up-to-date manner as possible. This does not, however, preclude the possibility of changes taking place during the academic year. If such changes occur, they will be publicized through normal channels such as newspapers, TMCC website, and our message boards.

Student Records and Information

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives students certain rights with respect to their education records.

Eligible students have the right to inspect and review their education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for eligible students to review the records. Schools may charge a fee for copies.

- Eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - ✓ School officials with legitimate educational interest;
 - ✓ Other schools to which a student is transferring;
 - ✓ Specified officials for audit or evaluation purposes;
 - ✓ Appropriate parties in connection with financial aid to a student;
 - ✓ Organizations conducting certain studies for or on behalf of the school;
 - ✓ Accrediting organizations;
 - ✓ To comply with a judicial order or lawfully issued subpoena;
 - ✓ Appropriate officials in cases of health and safety emergencies; and
 - ✓ State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information. TMCC considers the following as "directory" information:

- ✓ Student's name
- ✓ Address
- ✓ Telephone listing
- ✓ Electronic mail address
- ✓ Photograph
- ✓ Major field of study
- ✓ Degrees, honors, and awards received
- ✓ Dates of attendance
- ✓ Grade level
- ✓ Participation in officially recognized activities and sports
- ✓ Weight and height of members of athletic teams
- ✓ The most recent educational agency or institution attended

Schools must tell eligible students about directory information and allow eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify

eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

IT Appropriate Use Policy

Scope

This policy applies to all users of IT systems, including but not limited to students, faculty, and staff. It applies to the use of all IT systems. These include systems, networks, and facilities administered by the IT Department, as well as those administered by individual departments, laboratories, and other college-based entities.

Policy Statement

The purpose of this policy is to ensure an information technology infrastructure that promotes the basic mission of the college in teaching, learning, research, and administration. In particular, this policy aims to promote the following goals:

- To ensure the integrity, reliability, availability, and superior performance of IT systems.
- To ensure that IT systems are used for their intended purposes.
- To establish processes for addressing policy violations and sanctions for violators.

Policies and Guidelines

Unacceptable Use Policy

Definition:

Use of institutional computers, network, and internet services is a privilege, not a right. All users are required to comply with this policy and the accompanying rules.

Policy Statement:

The following rules are intended to provide general guidelines and examples of prohibited use. Failure to comply with these rules may result in loss of computer and internet access privileges, disciplinary action, and/or legal action.

- All users shall have no expectation of privacy regarding computer files, email, or internet usage. Turtle Mountain Community College reserves the right to monitor all computer files, email, and internet usage without prior notice.
- All users may not attempt to gain unauthorized access to any other computer system or go beyond their authorized access. This includes attempting to log in through another person's account or access another person's files. These actions are illegal, even if only for the purposes of "browsing."
- All users will not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses or by any other means.

- All users are not allowed to download, copy, or install any games or unauthorized software on college computers. Any unauthorized software and games, if found in the college computers, will be removed by college IT Department.
- All users will not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language. Restrictions against inappropriate language apply to public messages, private messages, and material posted on social media sites.
- All users will not post private information about another person.
- All users will not engage in personal attacks, including prejudicial or discriminatory attacks.
- All users will not knowingly or recklessly post false or defamatory information about a person or organization.

Email Policy

Definition:

Use of email by staff, faculty, and students is permitted and encouraged where such use supports the goals and objectives of the institution.

Policy Statement:

Users of TMCC's email services are expected to act in accordance with the following policies and with professional and personal courtesy and conduct.

- Email is an official means of communication at TMCC. The institution may send communications to users by e-mail and has the right to expect that those communications will be received and read in a timely fashion. Information sent via e-mail has the same importance and needs to be responded to in the same manner as information sent in other ways.
- The Information Technology personnel will assign all users an official institution e-mail address. It is to this address that the institution will send all official e-mail communications.
- Any emails that discriminate against employees by virtue of any protected classification including race, color, gender, religion, national origin, sexual orientation, age, or disabilities, will be dealt with according to the harassment policy.
- All users are expected to read and properly dispose of e-mail promptly. Prompt disposal of e-mail is necessary to manage storage space on the institutional e-mail system. Disposal may include deletion, filing into alternate folders on the institutional servers, or moving the e-mail onto the user's own computer. The institution reserves the right to purge mail from accounts. Prior notification will be given if that notification is feasible and practical to allow users time to save messages.
- All users of electronic communication, including e-mail, need to realize that communication of this type usually leaves traces as to its origin and destination as well as its content. The simple deletion of e-mail or other electronic files does not remove these traces and the file or e-mail is often recoverable for some time after deletion. Further, users need to realize that the institution makes regular archival copies of all e-mail to ensure the system's integrity and that these archives exist for some time. Therefore, although TMCC's e-mail system and governing policies may grant some privacy to user's e-mail, users should treat all e-mail as if they were public documents.
- In some cases, a user may wish to configure his or her TMCC account to forward e-mail to another address. The user takes full responsibility for the correct configuration of that forwarding. The institution takes no responsibility for the handling of e-mail in this fashion. The use of automatic e-mail forwarding does not absolve the user from the responsibilities associated with e-mail sent to the user's official e-mail address. The institution may forbid the automatic forwarding of e-mail in cases where it is found to be problematic. Additionally, the institution may delete e-mail forwarding or other automated e-mail handling rules that cause system problems without prior notification.

- Send or attempt to send spam of any kind.
- The institution uses spam filtering tools to help control unwanted email. The institution will continue to stay up-to-date with the latest spam filtering techniques and will adjust its own processes when warranted. However, no current spam filtering technique is completely effective and will let mail through that should be blocked and occasionally block e-mail that should be delivered. Moreover, each person's definition of spam is unique. Given that, users should expect that on rare occasions, legitimate e-mail may be blocked from delivery. If this happens, please contact the IT Department for further assistance.
- Once an employee has resigned or been terminated; or a student has withdrawn or graduated, they will have two weeks to save any email. After the two weeks, the account will be deleted.
- Sending mass email that is unrelated to an individual's administrative or academic activity is completely prohibited. Mass e-mails are defined as messages sent to all students, all staff, all faculty, or when individual recipient addressees are not defined. IT manages e-mail distribution lists of current staff, faculty, and students. There is no opt-out provision for these lists. If you need to attach a large file, please contact the IT Department for alternate methods of distribution.
- Keep in mind that the TMCC owns any communication sent via email or that is stored on institutional equipment. Administration and other authorized staff have the right to access any material in your email or on your computer at any time. Please do not consider your electronic communication, storage or access to be private if it is created or stored at work.
- Users that sign a contract to use TMCC equipment including but not limited to laptops, tablets and other electronic devices are responsible for the replacement of damaged, lost or stolen equipment.

Network Privileges Policy

Definition:

Policy Statement:

As such, all TMCC staff, faculty, and students are responsible for taking the appropriate steps, as outlined below, to select and secure their passwords.

- TMCC is responsible for maintaining a secure network and will deploy adequate security procedures to support wireless networking on campus.
- TMCC will develop a procedure for the temporary use of a wireless access point to support campus events.

Consideration:

Wireless networking has bandwidth limitations compared to the wired network. The wireless network should be viewed as augmenting the wired network, to provide more flexible network use. Applications that require large amounts of bandwidth, or are sensitive to changes in signal quality and strength may not be appropriate for wireless access.

Enforcement

Users who violate these policies may be denied access to institution computing resources and may be subject to other penalties and disciplinary action, including possible expulsion or dismissal. Alleged violations will be handled through the institution disciplinary procedures applicable to the user. The institution may suspend, block, or restrict access to an account, independent of such procedures, when it reasonably appears necessary to do so in order to protect the integrity, security, or functionality of institution or other computing

resources or to protect the institution from liability. The institution may also refer suspected violations of applicable law to appropriate law enforcement agencies.

Student Conduct

College students are expected to be mature individuals. Their conduct both in and out of college is expected to be that of any other responsible adult. This request is given to the TMCC Vice President. A hearing will be scheduled within five college days. The recommendations of the grievance committee will be provided to the TMCC Vice President within five college days of the hearing. The Vice President in conference with the President will have seven college days to decide whether to accept the recommendation of the committee or to render a different decision. The TMCC Vice President will notify the student in writing within that period. The President's decision is final and cannot be appealed. In cases where the appeal involves the TMCC Vice-President, the President will hear the appeal. In cases where the appeal involves the TMCC President, the Board of Directors will hear the appeal.

C. Discrimination or harassment complaint/grievance procedure

The following procedure provides the steps for a student to file a complaint/grievance about the conduct of a faculty member, other TMCC employee, or student, about a matter that is related to the discrimination or harassment of the student based on the student's race, color, religion, gender, national origin, age, disability, or veteran's status relative to employment.

1. The student first contacts the Dean of Students, Safety & Compliance Officer, or Human Resource Manager to provide a written description of the discrimination or harassment activity causing the complaint/grievance. This contact must take place within fourteen days of the date of the action.
2. The Dean of Students, Safety & Compliance Office, or Human Resource Manager will meet with the person who is the subject of the complaint/grievance to document, in written form, information about the incident. This meeting must take place within seven college days of the filing of the complaint/grievance.
3. Additional persons who may be witnesses or observers of any information about the complaint/grievance may be interviewed by the Dean of Students, Safety & Compliance Officer, or Human Resource Manager to provide written accounts of any activities relative to the issue.
4. After a review of all the documentation by the Dean of Students, Safety & Compliance Officer, and Human Resource Manager, a decision will be written and provided to the student and the person who is being accused of discrimination or harassment. If the investigation confirms that discrimination or harassment occurred, the college will take corrective action including discipline up to and including immediate dismissal, as appropriate. Discipline may include verbal and written reprimand, reassignment, suspension, counseling, termination, or any combination of these actions. A decision must be made within 30 days of receiving documentation. Confidentiality of all parties involved will be respected to the extent of the law; retaliation against anyone reporting discrimination or harassment is prohibited. Similarly, filing a false complaint will result in serious consequences.
5. If the student is not satisfied with the written response, he/she has five college days to request in writing that a grievance committee hear the matter. This request is given to the TMCC Vice President. A hearing will be scheduled within five college days. The recommendations of the grievance committee will be provided to the TMCC Vice President within five college days of the hearing. The Vice President in conference with the President will have seven college days to decide whether to accept the recommendation of the committee or to render a different decision. The TMCC Vice President will notify the student in writing within that period. The President's decision is final and cannot be appealed. In cases where the complaint involves the Vice President, the President will hear the complaint/grievance. In cases where the complaint/grievance involves the TMCC President, the Board of Directors will hear the complaint/grievance.

Sexual Harassment

Sexual harassment is a form of sex discrimination, which is prohibited by law. It is the policy of the College that sexual harassment is unacceptable, shall not be tolerated, and that no member of the College community may sexually harass another. The College will follow the TMCC Title IX Policy for reported sexual harassment/sexual discrimination violations: [TMCC Title IX Policy](#)

TMCC defines sex discrimination and sexual harassment broadly to include any of three types of misconduct on the basis of sex (or gender), all of which jeopardize the equal access to education that Title IX is designed to protect: Any instance of quid pro quo harassment by a school's employee; any unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal educational access; any instance of sexual assault (as defined in the Clery Act), dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA).

Sex Discrimination: includes sexual harassment and is defined as conduct directed at a specific individual or a group of identifiable individuals that subjects the individual or group to treatment that adversely affects their employment or education, or institutional benefits, on account of sex or gender (including sexual orientation, gender identity, and gender expression discrimination).

Sexual Harassment: is unwelcome and discriminatory speech or conduct undertaken because of an individual's gender or is sexual in nature and is so severe, pervasive, and persistent, objectively and subjectively offensive that it has the systematic effect of unreasonably interfering with or depriving someone of educational, institutional, or employment access, benefits, activities, or opportunities. Students and visitors who are subject to or who witness unwelcome conduct of a sexual nature are encouraged to report the incident(s) to the Title IX Coordinator or any TMCC employee.

Hostile Environment: Sexual Harassment includes conduct that is sufficiently severe, pervasive, and persistent, objectively and subjectively offensive that it alters the conditions of education or employment or institutional benefits of a reasonable person with the same characteristics of the victim of the harassing conduct.

Quid Pro Quo Sexual Harassment exists when individuals in positions of authority over the complainant:

- Make unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature; and
- Indicate, explicitly or implicitly, that failure to submit to or the rejection of such conduct will result in adverse educational or employment action or where participation in an educational program or institutional activity or benefit is conditioned upon the complainant's submission to such activity.

Sexual Violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent (*e.g.*, due to the student's age or use of drugs or alcohol, or because an intellectual or other disability prevents the student from having the capacity to give consent).

Please review the TMCC Title IX Policy for full definitions: [TMCC Title IX Policy](#)

Reporting of Student Instances

Students shall report any instances of sex discrimination or sexual harassment to any TMCC employee and/or the Title IX Coordinator. A complaint should be filed as soon as possible. **If either the complainant or the respondent is a student, the incident will be addressed through the Title IX process.** The report

can be made in person, by phone, mail, or email using the contact information listed for the Title IX Coordinator or by any other means that results in the Coordinator receiving the report. The report can be made any time, even during non-business hours.

TMCC strongly encourages anyone to report sexual violence and any other criminal offenses to law enforcement.

Smoking Policy

The College is dedicated to provide a healthy environment for all employees, students, and citizens. Smoking and other tobacco use can be hazardous to the health of both users and non-users.

The College will provide smoke-free facilities. This is a ban on using smoking, e-cigarettes, and smokeless tobacco within all the buildings on all campuses. In order to keep the smoke from entering the facilities from outdoors, smoking will not be permitted in front of the main campus buildings. Smoking is permitted ONLY in personal vehicles. Only in the case of cultural ceremonies will the use of tobacco be allowed.

All individuals on all College campuses share in the responsibility of adhering to this policy. Any violation by employees shall be referred to the appropriate supervisor. Individuals who come to the campus shall be asked to comply with the established policy. If the individual fails to comply with the request, the incident should be reported to the security personnel. The individual will be asked to leave the College property.

Student Drug and Alcohol Abuse Policy

TMCC adopted the following policy in an effort to inform faculty, staff, and students of the adverse effects of drug and alcohol abuse, standards of conduct, disciplinary and legal sanctions related to such use or abuse, and to advise those concerned of available counseling and rehabilitation services.

Standards of Conduct

All students are prohibited from the possession, use, or distribution of illicit drugs and alcohol on College property or at College functions.

Sanctions

The following disciplinary sanctions, which are consistent with tribal, state, and federal laws, will be imposed for violation of the Standards of Conduct cited in this policy:

- Warning; Loss of Privileges; Mandatory participation in an approved drug and/or alcohol abuse treatment, rehabilitation, and/or re-entry programs; Probation; Suspension; and Dismissal.
- Where appropriate, referral for prosecution may be made. One or more sanctions may be imposed. A complete description of the applicable legal sanctions under tribal, state, and federal laws for unlawful possession or distribution of illicit drugs and alcohol is included in the Student Conduct Code.

Student Referral

The College has designated a member of its professional counseling staff to provide referral assistance to a student with problems and/or concerns related to the use and/or abuse of drugs and/or alcohol. The student who seeks assistance will be referred to an appropriate community agency or health facility for more in-depth assessment and long-term treatment. Because TMCC is a non-residential/commuter institution, students represent a broad geographical service region. The College is in continuous contact with counseling agencies and health facilities that serve this broad region.

Counseling, Treatment, Rehabilitation or Re-Entry Programs

Consistent with its educational mission, TMCC is committed to providing education about the effects of drugs and alcohol and to furthering efforts to prohibit possession, use, or abuse. The community does provide periodic workshops and seminars about health risks and legal sanctions related to the use, manufacture, sale, and/or distribution of drugs and alcohol. In addition, materials are placed in various locations at the College.

TMCC offers referral services to all new, current and prospective students. See the TMCC referral guide at www.tm.edu for more information. Please contact the TMCC College Counselor at 477-7947 with any questions or concerns. You are also welcome to stop by the Counselors office, which is located on the south side of the Auditorium.

Handicapped Parking Policy

TMCC offers designed “Handicapped Parking” areas for individuals who display the required license or permit. Handicapped parking can only be used when the handicapped individual is driving or is a passenger

in the vehicle. Any individual who parks in designated “Handicapped Parking” areas and does not display a handicapped permit will:

- be towed away at the owner’s expense; and
- be ticketed/fined at a rate consistent with tribal law.

TMCC Student Club and Organization Fundraising Policy

TMCC Student Organization Fundraising Policy & Procedures

All revenue-generating activities conducted by TMCC student organizations must follow TMCC policies, applicable (inter)national organization policies/procedures, as well as tribal, county, state, and federal laws.

Fundraising Policy

The need for registered TMCC student organizations to conduct fundraising events to provide financial support for their organization continues to increase at TMCC. Recognizing this need, the TMCC administration has established this fundraising policy with the following procedures and guidelines for conducting fundraising events. The overall purpose of this policy is to help organizations be as successful as possible in their efforts.

1. **Definition.** For the purposes of this policy, all activities involving the collection of money by registered TMCC student organizations are defined as revenue-producing projects. Revenue-producing projects include: the selling of printed materials, student-produced goods, student-provided services, the selling of tickets, travel packages and/or charging admission to private or public activities or the soliciting of voluntary contributions, and the selling of other goods and services.
2. **Financial Benefit.** Revenue-producing events held on campus or in the campus facilities may not directly financially benefit the individual officers and/or members.
3. **Fundraising Privileges.** Only registered TMCC student organizations and the Student Senate may conduct revenue producing events on-campus.
4. **Fundraiser Registration/Application.** All student organizations wishing to hold revenue-producing projects must register the project with the Dean of Students Office. The fundraising application must be submitted at least five calendar days prior to the requesting date. Organizations planning ahead can turn in fundraising applications no earlier than the first day of the semester proceeding the semester of the event date.
 1. Applications must be submitted for both on-campus and off-campus events.
 2. The date, location, and a brief description of the revenue-producing project must be completed on the fundraising application. The fundraising application requires the sponsoring organization's advisor and president's signatures. These signatures will indicate the organization's approval of the project. Without these signatures the fundraising project will be denied.
 3. **Project Summary.** Within ten days of the completion of the event, the sponsoring organization should complete and return the project summary section of the application with a profit or loss margin stated. The information is kept in the Dean of Students Office and is available for student organizations to review. This will allow them a chance to see what events they may or may not want to try in the future.
 4. **Scheduling and Space Reservations.** Generally, two or more events of the same nature will not be scheduled at the same time for sales. This is to assist groups in being more successful. The sponsoring organization will need to check with the Dean of Students for scheduling.
5. **Compliance with rules, policies, and laws.** The sponsoring organization assumes all responsibility for conducting a revenue-producing project in compliance with the written policies and regulations of TMCC. In addition, the organization is responsible for knowing and abiding by all Tribal, county, state and federal laws.
6. **Assistance.** If you need assistance, the Dean of Students and/or Student Senate provides assistance to student organizations conducting fundraising events.
