GED Instructor (part time)

Position Title: GED Instructor (part time)
Contract Term: 12-month position
Accountable To: Adult Education Director
Salary: \$25.12/hr (up to 29 hours/week)

Summary of Position: This position requires knowledge and experience in teaching students at all grade levels and in all subject areas; knowledge and experience in student assessment and management of student records/progress; and the ability to work with the public.

JOB CHARACTERISTICS:

Nature of Work: This position is a teaching position. It requires duties pertaining to department goals, objectives, and activities as assigned by annual proposal plan and/or supervisor.

Personal Contacts: Daily contact with students, staff, administration, and the public in person as well as other means of personal contact (i.e.-phone, e-mail, etc.)

Supervision Received: Supervision is received from Adult Education Director

Essential Functions: This position will require the ability to perform duties according to yearly proposal plan for the Adult Basic and Secondary/GED Program.

RESPONSIBILITIES:

- Enroll students with completion of LACES information in ABE/GED program,
- Review and sign student handbook with students and other required documents,
- Administer TABE tests according to administrator's manual, evaluate TABE to determine areas of deficiencies, review TABE results with students, and determine educational goals for the program year,
- Instruct students in all academic areas required for the GED test; as well as other areas required according to proposal guidelines,
- Conduct pre and post testing to ensure GED testing readiness/progress,
- Assist in maintaining student records of student progress and attendance,
- Attend professional development as required,
- Ability to work flexible hours when necessary,
- May require local travel to more than one class site
- Performs other position related duties as required.

JOB REQUIREMENTS:

Knowledge: This position requires knowledge and experience in working with students of various ages (16+) and academic grade levels. Knowledge and experience with a variety of curriculums, materials, and teaching methodologies is essential. Knowledge of program development and direction is necessary.
