

TalkCampus®

Instant support from real students. Start talking today

Our students get free 24/7 access to this global
& anonymous student wellbeing community.

TalkCampus - An online, global wellbeing community for students

Safe, anonymous peer support. Connect with millions of students from around the world to talk about the ups and downs of life.

*No judgement, just real conversations with a global community of students like you.
Instant support, even at 2am in the morning Post, instant chat, groups, journalling & wellness
Your anonymous safe place, with 24/7 real-time moderation. Speak to a therapist right away if you are struggling.*

Use your normal student email to create a free account.

Student life can be tough, you don't need to go it alone.
