Tentative Spring 2026-2027 Schedule

Online/Asynchronous (ASY): Instructional materials, coursework, and instructional guidance are provided in Canvas. Learning and dialogue does not require in-person meetings and allows students to access at their convenience

Online/Synchronous (SYN): An instructional approach where students and faculty work together synchronously through web based technology. There is some expectation that students connect with their instructor and classmates at specific dates and times. See syllabus for more specific details.

Hybrid/Face to Face (HFTF): An instructional approach where students and faculty work together in-person during scheduled instructional times and through web based technology. See Syllabus for more specific details.

Face to Face (FTF): Traditional instruction approach in which students attend classes in-person
